

NEW Purchase Great Curriculum in Two Formats

We are excited you've chosen TCI for your classroom. You now can purchase the same great curriculum in two different formats—subscriptions or print. Use the chart below to determine which format is best for your classroom.

	Subscriptions	Print
	TCI's subscriptions deliver content online. Teacher Subscriptions have state-of-the-art presentations and Student Subscriptions create an interactive learning environment around student text. Because subscription content is delivered online, TCI can continually upgrade and improve the content and features.	In situations where you and your students do not have access to technology, the print Student Edition provides a way for students to find the content they need. And the Teacher Resources gives you everything you need to teach engaging lessons using printed materials.

These terms supersede all prior understandings, assurances, orders and offers, whether written or oral, and shall exclusively govern the relationship between you and TCI in regard to the Subscriptions. Any amendments or additional terms must be agreed to by TCI in writing.

Subscriptions expire October 1st of the year following the end of the term specified in the invoice sent by TCI or in the email with which the activation codes are sent. Online Subscription Renewals: Subscriptions will not automatically renew. Customers will receive a renewal notice 6 months prior to expiration of Subscriptions. To renew Subscriptions, customers must notify TCI of their intent to renew at least 3 months prior to expiration of the Subscription.
